

April 20, 2014

Hello, Everyone! Thank you for entering the April 26-27, 2014 CPE trial hosted by AgileDogs Agility Training. This is your entry confirmation. Your individual entry confirmation will be coming in a separate email. Please be sure to look at it closely and let me know of any errors or move ups. We currently have 393 runs on Saturday and 422 runs on Sunday, so will be taking day of show entries both days, for \$14 per run. So, you can add runs for yourself plus tell your friends to come!

We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 7 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. We will be utilizing a second ring for some classes to minimize down time. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently and for any changes to the schedule.

Awards:

Perfect weekend rosettes will be awarded to teams achieving Q's in all 10 runs.

All workers will be

accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner.

If your job for a given class is timer, scribe, assistant scribe, or gate steward, please report to the chief ring steward when the briefing for the class begins, so you can prepare for your job and so the judge can brief you if needed – thanks! If your job is anything not already mentioned, you can report any time before or during the walk through.
