Hello, Exhibitors!

Thank you for entering the December 26-27th CPE Trial hosted by AgileDogs Agility Training. This is your entry confirmation. This trial is full to capacity! We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 7 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently.

Site Details:

There are a few rules that we're asking people to follow so that we can use High Goal Farm for future trials. The pond, barn, livestock, woods, and Cerilli house are off limits to anyone at the trial. Anything else that is roped off is also off limits to anyone at the trial. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring must be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using only high occupancy x-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above requests. In addition, please note that the building will be kept at approximately 58 degrees, so come prepared to dress in several light layers while in the building.

Awards:

- Perfect weekend rosettes will be awarded to teams achieving Q's in all 8 runs.
- Seventh Annual "Heart of Sandy" Award. The judge will give this award to the dog who clearly enjoys the game and gives his/her all when out there on course. It is in honor of Sandy, who gave her heart for me every time we went into the agility ring up until and including her last trial, which was New Year's 2007-2008.

If your job is anything not already mentioned, you can report any time before or during the walk through.
