CLASS INFORMATION

Standard Class

Beginners Agility—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility — Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Agility — Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Games Classes

Games I—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II — Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III — Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

Las Vegas: Las Vegas is a points gathering game. Teams run sequences worth different point values to accumulate points, and bonuses are awarded for completing certain combinations of sequences (two of a kind, three of a kind, flush, straight flush).

Blackjack: The objective of this game is to earn exactly 21 points on a course path of the team's choosing. Each obstacle is worth a specific number of points.

Beat the Clock: Teams must perform the "clock" of obstacles (12 total) before time runs out, in the order the judge specifies. Teams begin in the middle of the clock and perform each quarter of obstacles in turn.

Connect the Dots: This is a points gathering game where teams must connect contact obstacles (the dots) to all other obstacles. Points are obtained for doing both the dots and lines (obstacles between the dots). Teams go to the table after connecting all of the dots, and if they don't get to the table before time runs out they lose points for being over time.

Black Hole: This is a standard course which does not include tunnels, even though they will be present on course; teams earn points as they do the obstacles on the course. If a dog goes into a tunnel (the black hole) points gathering stops and the dog goes to the table to stop the clock.

FullHouse: This is a points gathering game in which teams make up a course which includes at least 3 jumps, 2 round things (chute, tunnel, tire) and one "joker" (any contact obstacle, weave poles, or combination – only 3 of these will be present on the course). In addition the total points must meet a minimum for their respective level. When time runs out teams have 5 seconds to get to the table to stop the clock and avoid penalties for being over time.

ENTRY ELIGIBILITY

This trial is open to all dogs over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

The following is a list of obstacles that will be used at this trial:

A-Frame (6'8' x 2' sides)

Teeter (8' long)

Table

Weave Poles

Open Tunnels (16 inches dia), 10' and 12' long

Dogwalk (8' long planks)

Closed Tunnel, 16" in dia, 8' long fabric

Tire Jump

Non-winged and Winged Jumps

WARM-UPS:

A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Other obstacles may or may not be included in the warm-up area. There will be obstacle familiarization at this trial, details to be announced at the start of each trial day.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated.

- 4" jump height: for dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less
- 8" jump height: for dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 15" or less
- 12" jump height: for dogs measuring 15" or less at the withers; or dogs with a jump height exemption measuring 17" or less
- 16" jump height: for dogs measuring 17" or less at the withers.

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions; www.k9tdaa.com). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age).

How the Fast Track Move-Up Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score, in either std or games classes. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II.

A qualifying score in the lower class is required to move up to the next higher class. You must submit a copy of title certificates for each dog. Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. If you have fast tracked before at a previous trial but have not moved up to the equivalent level based on titles earned through another organization, you may fast track at this trial without sending additional payment.

NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$5 will be given for bitches in season. A letter from your veterinarian is required.
- All fees must be paid in US funds. There will be a Returned Check Fee of \$30 for returned checks. In the event of withdrawal from the event, checks will NOT be returned. All unused checks will be destroyed.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- All dogs must be on leash at all times except when using the warm-up area or in the agility ring.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the show.

Easter**

HOTELS THAT ACCEPT WELL BEHAVED DOGS

SOME HOTEL COURTESIES TO OBSERVE: There are very few motels in the area that accommodate competitors and their dogs. Please use care with your dogs in these motels.

- ✓ Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.
 - ✓ Make every effort to have your dog free of fleas BEFORE arriving
 - ✓ Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Remember that your motel is an extension of the show site. You must clean up after your dog.
 - ✓ Don't leave your dog(s) unattended. If you must leave, either take them with you, or leave them crated. Even the best dogs(s) can get carried away having fun in a motel room without you present. We WILL request reports from the motels as to the behavior of agility guest and their dogs. Please be respectful of your motel neighbors.

WORKING SEMINAR

Is your dog small in stature? Are you new to Teacup Dogs agility? Are you considering competing in Teacup Dogs agility? Are you wondering how this venue operates? Would you like to spend some quality time learning the smaller equipment and tighter spacing on courses with your dog?

Perhaps you have already competed in TDAA trials, but would you like a refresher on the rules and your dog would like more time with the equipment? Do you think some training based on TDAA rules would be beneficial to you and your teammate? Do you want to learn more about how to play those cool games you see at TDAA trials?

Would you like to be better prepared for TDAA trials? Did you know that the 2008 *Petit Prix* (the Teacup Dogs Agility Association Nationals) will be held in Westminster, Vermont, a mere 2 hours from the Capital District, and that you can enter the *Petit Prix* if you have entered at least one trial this year?

If you answered "Yes!" to any of these questions, then this Working Seminar is for you. This seminar is open to all dogs over the age of 12 months and measuring 17 inches or less at the withers, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness that may affect a dog's physical or mental performance.

- ◆ Obstacle familiarization, with you and your dog working several short sequences using TDAA-regulation equipment and obstacle distances
- ◆ Standard course run-throughs, where you will test yourself on a TDAA-style course
- ◆ Games course run-throughs, where you will test your abilities to learn a new game
- ◆ 2 sanctioned classes – Standard and FullHouse – where you and your dog can compete to earn qualifying runs toward TDAA titles

When: Friday, March 21, 2008, 3pm-5:50pm (seminar); 5:30-6:30 (dinner); 6:30-8:00 (trial)

Where: Saratoga County 4H Training Center, Ballston Spa, NY
