

June 30, 2014

Hello, Exhibitors!

Thank you for entering the July 4-6 2014 USDAA Trial hosted by AgileDogs Agility Training. This is your final entry confirmation. With your help things will run smoothly; if everyone helps out the days will go faster. We hope you will have fun this weekend!

Please note: Please check your individual run information carefully. You have until 6 pm on Tuesday, July 1st to email Trisha Stall Trisha@agiledogs.net with your move ups and/or corrections. Any changes made after that date will incur a \$10 charge per change.

SOME IMPORTANT NOTES:

Sugar Bush Farm details:

1. It is absolutely required that you pick up after your dog. Failure to do so will result in being excused from the trial.
2. Bring your own chairs and shade.
3. The Chittenden's fenced in backyard area, including pond, will be available for swimming or playing during the trial, but please follow their rules for its use which will be announced in the general briefing in the morning.
4. Remember that ticks abound in this area, so be sure to check your dogs for ticks, especially if you walk them in the woods or edges of clearings.
5. Cars must be parked in designated areas, and may not be driven around the rings after the general briefing each day. If you park behind the rings, you may not drive out until dogs have finished running for the day in both rings.

OVERNIGHT / RV PARKING:

If you have signed up to camp overnight at Sugar Bush Farm, make sure you contact Craig Chittenden, sugarbush761@aol.com, to let him know the size of your RV and if you'll be using a generator or not. If you're staying in a tent or vehicle and indicated that on your form and have paid in full, you're all set and do not need to contact him. When you arrive, see Craig, who will escort you to your parking spot.

Trial Format:

One 100' x 100' ring will be used, and will be fully enclosed with entry/exit gates. Electronic timing will be used.

Check-in, Measuring, and Starting Times:

Friday: Check-in and measuring will be from 12:30 – 1:00 pm
General / Judges' briefing 1:15, 1st dog on the line immediately after walkthroughs

Saturday Check-in and measuring will be from 7:15-7:30 am
and Sunday: General / Judges' briefing 7:30, 1st dog on the line immediately after walkthroughs

CATALOGS:

Only a few copies of the run catalog will be available at the trial. The catalog will be available for download by Wednesday evening on www.agiledogs.net

VOLUNTEERS:

The volunteer schedule will be a sign up white board at the trial site, this way you can sign up for what you are comfortable working. We will be pre-filling in some spots based on preferences some of you sent in with your entry (Thanks to all who volunteered!). Please see Lisa Norris at the site if you have any questions.

All volunteers will get our undying gratitude (because you know we can't host trials without your help!), and will also get the following perks:

- \$4 in lunch tickets good at our food vendor
- A \$2 coupon redeemable at a future trial given for each class worked

Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner! In addition the CPE ring and USDAA ring will be coordinating with each other so that those of you entered in both trials will not miss your runs.

If you didn't sign up to work and are interested in helping, we'd love to add you to our volunteer list! Please contact Lisa Norris, jumpinbeandogs@hotmail.com, 518-330-4447.

VENDORS:

- **FOOD:** We are pleased to have Cam's Kitchen as our food vendor! They will be offering breakfast and lunch all weekend. Volunteers will get lunch tickets good at the food vendor.
- **PHOTOGRAPHER:** Barry Rosen, www.barryrosenphoto.com, will be on site all weekend taking action shots of your dogs. In addition, he is available for private photo sessions on request!

24-HOUR VETERINARIAN:

Animal ER of the Berkshires
(at the Pittsfield Veterinary Hospital)
1634 West Housatonic Street
Pittsfield, Mass.
413-997-3425

DIRECTIONS TO TEST SITE
Sugar Bush Farm, 760 East Road, Stephentown, NY 12168

From the East: Take the Mass Pike to the end. Continue on I-90 to the next exit, B-3 in Canaan, NY. At the end of the ramp go right, 22 North. In New Lebanon, Route 20 and 22 run together for a short while. Make sure you stay on Route 22 by bearing left just before a boarded-up gas station on the left. Continue approximately 4 miles to the traffic light in Stephentown where Routes 22 and 43 intersect. Follow *Directions from the 22/43 Intersection* below.

From the West: Take I-90 East to Exit 11E - Route 20 East. Continue on Route 20 East until it joins Route 22 North (straight through the yellow blinking light in New Lebanon. In New Lebanon, Route 20 and 22 run together for a short while. Make sure you stay on Route 22 by bearing left just before the a boarded-up gas station on the left. Continue approximately 4 miles to the traffic light in Stephentown where Routes 22 and 43 intersect. Follow *Directions from the 22/43 Intersection* below.

From the North: From Hoosick Falls you will take Route 22 South. Go through the towns of Berlin and North Stephentown. Follow to the intersection of routes 22 and 43 in Stephentown. Follow *Directions from the 22/43 Intersection* below.

Directions from the 22/43 Intersection: Heading North on Route 22, you'll go up a hill where 22 becomes 2 lanes. It goes back down to one lane after you get to the top of the hill and you will pass a mobile home park on your right. Just after that on the right there is a gray house with a small satellite dish. The road right next to that house is Giles Road or County Route 33. Take that road, it takes a sharp right at a horse farm (you'll see a warehouse building and split rail fencing on the right). You will go over a little bridge, you'll see farm buildings and straight ahead on the right you will see the training building - white domed roof with tan walls and windows. There is a driveway marked by two metal fence posts just before the building; follow that driveway to the rings and parking.
